Payouts updated for 2011

On January 13, the NCHA Executive Committee voted to approve a recommendation from the Open Show Committee to adjust the payout schedule which was published in the NCHA's 2011 Official Handbook of Rules & Regulations.

The payout schedule on this page replaces the one printed in the 2011 Rule Book.

Based on input from members and the goal of developing a more logical placings chart, the new schedule took effect January 21.
