NCHA DAYS
Request For Proposal

Thank you for submitting a proposal to host your circuit's NCHA Days event! The 2027 NCHA Days may be held any weekend in the Month of May. See event policies and procedures for additional requirements.

NCHA understands the following information is a proposal and not a complete plan of the event. Your proposal will be sent to the NCHA directors within your circuit who will review and discuss all proposals prior to selecting an official host. Once selected, NCHA will review the directors' selection and may have the final approval of the selected host.

Please note, the official NCHA Days event in each circuit is a protected set of dates.
No other NCHA-approved event may be held on the same dates.
