"For One Time Only: A person may for one twelve (12) month period apply for and receive an apprentice trainers card. This card will grant a person an exemption for that period of time from all non-professional and/or amateur rules and regulations with regard to remuneration. The applicant may not participate in any non-professional, youth or amateur class during the twelve (12) month period for which apprentice status is granted and can not get back their non-professional and/or amateur card until the 12 month period of apprenticeship expires.
