Super Stakes Stall Move-In & Reservation Policy Reminder

To ensure a smooth and organized move-in process, please review the following important stall policies:

- Exhibitors may begin moving into stalls no earlier than 6:00 a.m. on Tuesday, March 17th.
- A valid form of payment must be on file prior to stalls being unlocked. All stalls will remain locked until payment arrangements are confirmed.
- An overnight stall employee will be available for limited dates. However, if you plan to arrive after 7:00 p.m. on any show day, you must notify MaKinzie in the Show Office in advance at the number below so she can confirm payment is on file and arrange for your stalls to be unlocked.

NCHA STALL / SHOW OFFICE PHONE: (682)287-9298

Stall Reservation & Usage Policy

- The number of stalls reserved will be the number of stalls for which you are financially responsible at checkout.
- If you determine you will not need all reserved stalls, you must notify the Show Office in advance so unused stalls may remain locked.
- Any stall that is unlocked and/or utilized will be billed accordingly.

Please note that “in use” extends beyond housing horses. Stalls utilized for tack, equipment, feed, storage, or any other purpose will be considered in use and will be charged.

Examples of stall usage include, but are not limited to:

- Chairs, bicycles, or other miscellaneous items
- Refrigerators or appliances
- Feed, hay, and supplements

The facility charges the association for all stalls that are unlocked or used. These charges are passed directly to the exhibitor.

We appreciate your cooperation in helping us manage stall inventory efficiently and fairly for all participants.
